

Allech chi fod y Sam nesaf?

Felly, ydych chi eisiau bod yn weithiwr ieuenctid?

Could you be the next Sam?

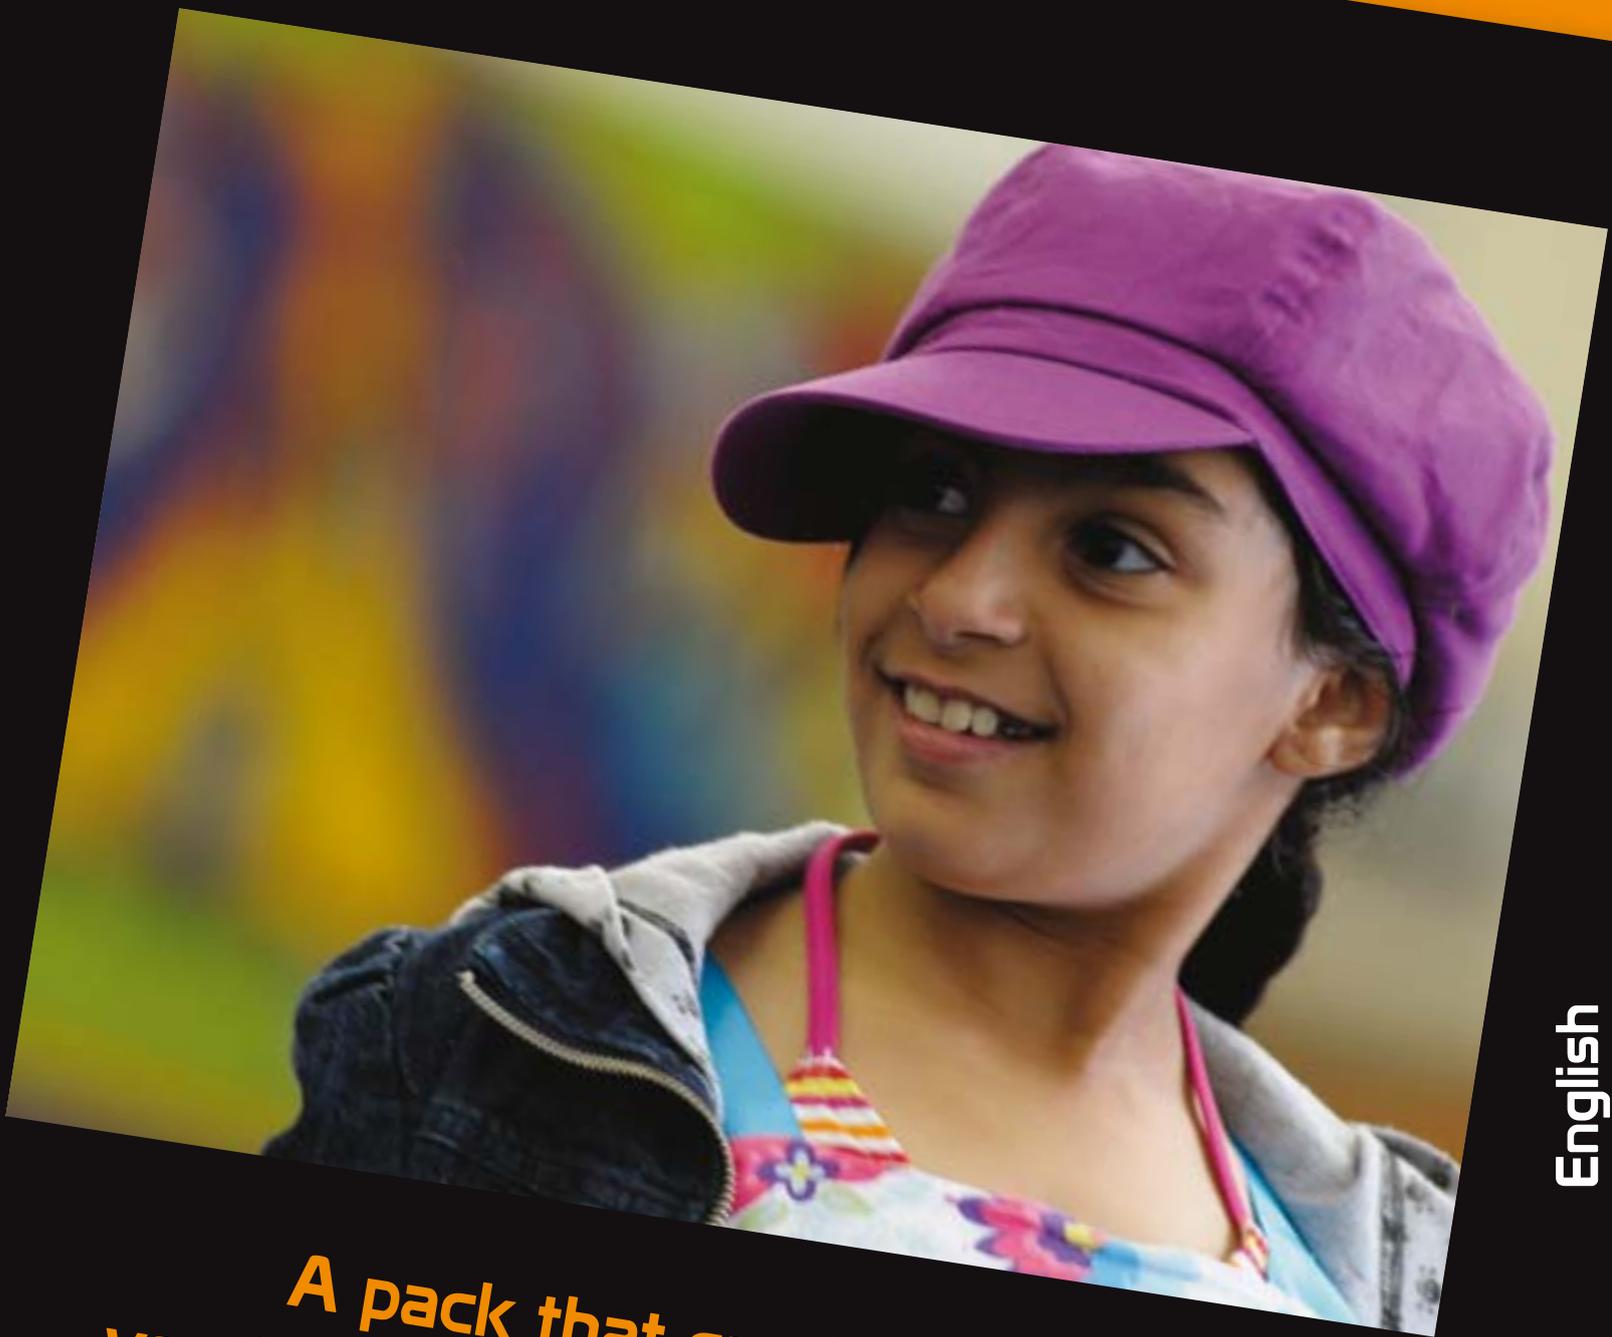

So, do you want to be a youth worker?

This pack is designed to promote youth work as a career, both voluntary and paid, to young people within education settings. It is for youth workers and related professions.

It contains interactive workshops, and supporting information and resources to raise awareness of youth work and what it achieves for young people.

There are handouts for young people who wish to consider youth work as a career, tools and information they can use to help them on the way and a take away booklet they can also show to their families.
